\*Your Estimated Performance Time & Performance Slot # will be emailed to you a few days prior to the show. Your performance slot will be based upon what we determine to be the best fit, and this is subject to change on the day of the show based upon changes that sometimes occur.

Dressing Room: Space is limited backstage for dancers. I would advise that dancers arrive mostly ready, as the space can be pretty hectic.

Parking details: There is usually plenty of parking on nearby streets. Local residential parking is free after 5pm. (The meters by the beach are enforced until 8pm)

Stage Info: We will email more details of the stage specifics later on. The stage has industrial carpet, and is adequate for a small number of dancers.
